Dear Hiring Manager,

My name is Jacqueline Condura and I am applying for the Stylist position you are offering at Drape Fit. After reviewing the job description, my experience, creativity and skillset can make me a valuable candidate to align with this role. Please see my resume attached with my qualifications.

The experience I've amassed in the fashion industry comes from a background in fashion merchandising. I have most recently worked as a Senior Stylist for Fashom and before that as a Stylist for Mix and MatchBox. I greatly enjoyed styling my clients, building ongoing relationships with them and fulfilling their wardrobe needs. Additionally, I have personally styled some of the top leading social media influencers in the clothing category. I have been successful in field and would like to continue in this profession bringing my abilities to Drape Fit.

I am self motivated and work well both individually and with a team. My prior experience in this occupation and overall knowledge of subscription box based styling services, along with the passion I have for fashion provides me with a varied skillset that I can bring to Drape Fit.

I'm familiar with Drape Fit and would appreciate the opportunity to present myself and discuss this position further. Thank you for your consideration and I hope to hear from you soon.

Sincerely,

Jacqueline Condura
