Dear Hiring Manager,

I am a sales and styling professional with several years of experience looking to make a positive impact in the digital styling industry. I have experience in digital styling and customer facing chat roles that have allowed me to develop a skill set aligned with Drape Fit's needs.

I am passionate about making customers feel both confident and authentic with their wardrobe. I pride myself in my ability to be a trusted advisor on brands, fit, and trends to build trust with my clients and deliver sales results. I have developed my client service skills in previous roles where I communicated with customers via chat, email, and phone ensuring the customer leaves satisfied and wanting to return. I am also goal and metric oriented, with proven ability to exceed key performance indicator expectations.

I am excited by the opportunity to join a team that inspires customers and helps them express themselves. I look forward to the opportunity to speak with you to discuss your needs and my background in detail. Until then, thank you for your consideration.

Sincerely,

Kelsey Sikes
